Afternoon Session: 1:30pm-4:00pm, Engineering, Rm. ME-314, 111 Church Street SE, Minneapolis, MN
(<http://www1.umn.edu/twincities/maps/MechE/>)

1:30pm-4pm: Hands-on Computer Workshop with Software 'Sfrax'
- Participants will be sharing computers but also have the option of downloading the 30 day trial version and use their own computer
- www.surfract.com (not Mac compatible)

Refreshments - Coffee and pastries will be provided during the morning sessions

Parking - If you are unfamiliar with the UMN campus please note that street parking is virtually non-existent and garages can be quite spendy. More information on parking/transportation options can be found here: <http://www1.umn.edu/pts/index.htm>. Parking in the Maroon lot is a reasonable option (<http://www1.umn.edu/pts/maps/facilities/maroon.html>) though allow yourself at least 15 minutes to walk to campus from the lot. The bus is another good option (<http://www.metrotransit.org/>)
